

THE CONSTELLATION *Katie Thomas* CLUB

Chamber Choir Overview

WHAT IS THE CONSTELLATION CLUB?

Connecting with audiences in a relaxed, vibrant, inclusive concert atmosphere, The Constellation Club brings together world-class professional musicians to present a broad spectrum of the finest works in the vocal and instrumental repertoire, both core and eclectic.

WHAT IS THE CONSTELLATION CLUB CHAMBER CHOIR?

While the orchestral projects operate on a professional ad hoc basis, The Constellation Club Chamber Choir is designed as a separate ensemble for highly competent non-professional singers, meeting once a month.

IS THIS JUST ANOTHER LONDON CHAMBER CHOIR THEN?

Not exactly. The Constellation Club Chamber Choir is aimed at talented-but-busy Londoners who want to sing at a professional choral standard, on a manageable basis. The total (compulsory) commitment is the single session per month.

Rather than working towards a termly concert performance in the traditional way, each of our rehearsals is a MICRO PROJECT in itself. We meet to prepare new, diversely themed repertoire each month, and video a performance at the end of each session. We post a selection of our work on our social media pages.

WHEN / WHERE DO YOU REHEARSE?

First Thursday evening of every month, in Central London (Camden), 18:30-20:30.

HOW MUCH DOES IT COST?

Members pay a subscription of £75 per half year.

HOW DO I SIGN UP?

Complete the online audition application form on our website and an individual audition will be arranged.

Singers should prepare an unaccompanied song of their choice, and there will be a range check and some sight singing.

*Please be sure you can commit to the first Thursday of every month before applying.
